

## Welcome to the DAAD Office Nairobi, the Regional Office for Africa

The DAAD representation in the Kenyan capital Nairobi started as a small adjunct office in September 1973. By 1979, the small office had grown into a fully-fledged DAAD Regional Office for Africa providing information about DAAD's full range of academic programmes. Today, the Nairobi Office with its ten staff members offers consultation on study and research opportunities and funding possibilities for individual scholars in Germany and the East Africa region, for university collaboration between German and East African universities and research institutes, and for capacity building for university staff members at East African universities. The DAAD Regional Office for Africa is responsible for Kenya, Uganda, Tanzania, South-Sudan, Rwanda, Ethiopia and Burundi.

Our virtual visiting hours during the Corona pandemic is every Thursday at 10 am where one can register on our website for the suitable session.

### Study scholarships for artists and architects

These scholarships address graduates of schools for architecture, plastic art, design, cinema, music and dramatic arts (stage direction, dance, choreography etc.) that wish to enhance their knowledge and pursue their studies in Germany.

### Study Visits in Germany

University teachers of foreign universities may apply for a funding of study visits in Germany for groups of max.

15 students and a teacher. The visit shall include an academic programme with at least two German universities and cultural activities.

### In-Country/in-Region scholarships within Africa

The In-Country/In-Region programme supports the training of future professionals and managerial staff in developing countries. The programme thus offers scholarships to future university teachers from developing countries for postgraduate courses (Master) and for doctorates.
